

COORDINATED AGENCY RECOVERY EFFORT

C.A.R.E. is a multi-agency public outreach program to disseminate information about recovery efforts and potential storm impacts following the August/September 2009 California wildfires.

February 27, 2011

FOREST ROADS TO REOPEN

The Los Angeles County Public Works Department has announced the reopening of Big Tujunga Canyon Road from Big Tujunga Dam to Angeles Forest Highway, Angeles Forest Highway from Upper Big Tujunga Canyon Road to Angeles Crest Highway (SR-2), and Upper Big Tujunga Canyon Road from Angeles Crest Highway (SR-2) to Angeles Forest Highway

These roads will be reopened as of 4:00 p.m. today, February 27, 2011.

The Angeles Forest Highway from Aliso Canyon Road to Upper Big Tujunga Canyon Road remains closed. County Public Works crews are continuing to work on this section of the highway to make it safe for travel.

Residents can visit the CARE website at www.dpwcare.org for the latest information on the closed section of Angeles Forest Highway and for further updates on road conditions, or sign up through Public Works' eNotify system to receive instant notifications.

County Public Works will continue to monitor the roads and weather forecasts and issue additional advisories as necessary. Motorists are advised to use caution when driving area roads.

While the roads have been re-opened, the Angeles National Forest within the Station Fire area remains closed to the public. Parking along forest roads in this area is not permitted and parked vehicles will be subject to citation and towing.

Residents, business owners and persons with access or functional needs may also call **2-1-1** for LA County information and referral services regarding post disaster resources that are available to those affected by the floods and debris and mud flow. The toll-free **2-1-1** number is available 24 hours a day and seven days a week. *211 LA County Services* can also be accessed by visiting www.211la.org.
